

Dear Parent

Greetings!

- 1) Hope you all are in good health and high spirits. The annual result for students of classes 1 to 8 will be declared tomorrow i.e, 25 March 2020 as scheduled.
- 2) There will be no PTM seeing the situation and considering safety of all. You can see your wards result via digicamp using the child's ID. Once you click on option_report card printing on dashboard you can see the report card.
- 3) The hard copy of the report card with Principal's signature will be provided once everything gets fine and school starts functioning.
- 4) In case you find any difficulty you may feel free to contact your wards Class teacher.

Congratulation to all the proud parents! God Bless

Regards
Principal
